

nativefoodnetwork.com

The Intertribal Agriculture Council's new Mobile Farmers Market is creating a regional food distribution network in MN, WI, MI, & IA that will:

- 1) Expand Tribal food producers' market access locally and regionally
- 2) Increase the availability of fresh, healthy, and traditional foods in Tribal communities

Available Products Include:

Wild Rice • Maple Syrup • Hominy Corn • Specialty Meats • Wild Fish • Fresh Vegetables, Fruits, and Berries • Value-Added Products

Participation:

- Customers: the route schedule will be available soon
- Producers: contact our Project Coordinator for more info on market participation and direct purchasing
- Retailers: wholesale opportunities exist
- Tribal communities: the project can help establish and coordinate farmers markets in your communities
